

NATIONS COLLEGE

Daniel KOLENDA

MESSAGE FROM OUR FOUNDER AND PRESIDENT

In 1987 Christ for all Nations began tracking the individual new converts being saved in our crusades. Thirty years later (in 2017) the ministry reached the 75-million milestone, and the Lord began to clearly speak to me about a “Decade of Double Harvest.” If we grab hold of this word by faith, we could see the number of people saved double from 75 million in the first thirty years to 150 million in the next ten. This is surely one of the greatest seasons, if not the single greatest season, of harvest in the history of the world.

Throughout the history of CfaN, we have trained men and women through many programs. We are seeing this multiplication happen through CFAN Evangelism Bootcamp, School of Evangelism, Nations Church and now at the hub of it all we now have Nations College. Nations College isn't just for evangelists. If you are called to be a pastor, teacher, or a worship leader, or if you are not called to ministry at all, we have a place for you! We are training and preparing everyone from politicians to housewives to impact the nations for Jesus.

This is your opportunity to get the foundation of your education in an environment where God is moving, miracles are happening and you can connect with an amazing community of men and women who love God, and are passionate about winning the lost and making disciples.

Together in the Harvest,
Daniel Kolenda Founder & President

The weekly practical field ministry provides an opportunity for students to serve in their gifts.
